ACTUARY (Insurance Leader) | Luxembourg

[Apply Now](#)

Company: James Woodman

Location: Luxembourg

Category: computer-and-mathematical

Client Details

The client is a leading non-life insurance company that is a key player in Luxembourg for your insurance and reinsurance needs. Our client will offer you a true Luxembourgish work experience, colleagues from different nationalities, a personalized training plan and a work environment that motivates you to give the best of yourself! You will be working together with the actuarial manager to complete the full cycle of actuarial tasks, they will fully support your growth.

Description

The following will be asked of you on the job:

You develop and optimize actuarial work for Solvency II pillars (reports, ORSA and RSR).

You participate in the pricing for new products in insurance and reinsurance.

You utilize statistical models like duration models, scoring models etc.

You monitor and track risk appetite with tools.

Profiles

The client is looking for the following in the candidate:

A Bachelor's Degree in Finance or Economics. Related studies are also fine.

OR 2 to 5 years of experience in Actuarial work. Work experience in Luxembourg is a plus.

AND good knowledge of Solvency II and the regulatory rules.

AND fluent in English and French.

Offer

The client offers you the following;

Competitive pay, ranging from 40K to 80K, depending on seniority and experience.

You join a key insurance and reinsurance provider in Luxembourg

You join a diverse company that has a long track record in Luxembourg.

You get a tailor made development plan, so you become the best actuary.

You get the chances to grow to a new position within actuary.

You get meal vouchers, worth €10,80.

You get additional health insurance.

*This position is being handled **Dejan Agovic** and **Youssef Mourchid***
