ACTUARY (Leading Insurer) | Luxembourg

[Apply Now](#)

Company: James Woodman

Location: Luxembourg

Category: computer-and-mathematical

Client Details

Summary of our Client Company Our client is a leader in Insurance and they are looking for an Actuary to join their Luxembourg office! They deliver life insurance to both consumers and enterprises, meeting ends on both sides. You will be working in an international team, as the company even has offices outside of Europe. A great network will open up for you, giving you the possibility for endless career growth!

Description

The following will be asked of you on the job:

You collaborate with Actuary colleagues to create and automatize current systems.

You analyze data according to Solvency II and IFRS 17 standard.

You monitor if accounts need to be closed by doing research and relevant calculations.

You monitor the quality of a figure by performing tests and consulting IT protocols.

Profiles

The client is looking for the following in the candidate:

A Bachelor's Degree in Mathematics or Actuarial Science is a plus. Related studies are fine.

OR 2 to 5+ years of experience as Actuary.

AND you are fluent in English and French OR English and German.

AND knowledge of different types of Risk plus Regulatory Rulings.

Offer

The client offers you the following;

Competitive pay, ranging from 50K to 90K, depending on seniority and experience!

You get an industry competitive pay with bonus system, rewarding you for your work.

You join a leader in Insurance, you can grow within the company and achieve a lot!

You will join an international team, the company even owns offices outside of Europe!

You get Work from Home and flexible hours, you can plan your day the way it suits you.

You will be rewarded for the work you put in by getting promotion opportunities!

You will get the support from the company to learn all the skills you need as Actuary!

You get meal vouchers, worth €10,80.

You get additional health insurance and pension plan.
