[Apply Now](#)

Company: Heinrichs & Co. KG

Location: Luxembourg

Category: computer-and-mathematical

proAlpha, Datenbanken, ERP, IT, Berichtswesen, Electronic Data Interchange, SQL, Anwendungsbetreuung

### We are looking!

#### IT Application Manager (m/f/d)

Heinrichs - behind the smallest things is often the greatest know-how! More than 180 qualified and dedicated employees develop and produce over 100 million turned parts for the mechanical engineering, automotive, pneumatics and hydraulics industries worldwide every year at Heinrichs. Our success is based on sustainable growth. For more than 3 generations, we have stood for experience, innovation and precision.

Following the company-wide introduction of the ERP solution proAlpha, we would like to strengthen our IT department on a full-time, permanent basis in order to optimize the use and further development of the system.

#### What you can expect

A challenging and varied role with long-term and secure future prospects

A professional induction

Further training opportunities

Attractive remuneration

Flexible working hours

Wide range of social benefits

## Your area of responsibility

Support and further development of the ERP system proAlpha incl. EDI applications and interfaces to Hydra and CAQ

Analysis, optimization and adaptation of processes

Documentation and reporting

Communication with the system houses and specialist departments

Project management with responsibility for implementation and control

Supervision and support of key users in their daily work

## Your profile

At least completed vocational training as an IT specialist or comparable qualification

At least 2 years of professional experience in the introduction and support of ERP systems ideally proAlpha

Sound knowledge of the processes of an industrial company

Experience in project management and process mapping

Analytical and solution-oriented thinking and acting

Communication and integration skills

Knowledge of working with SQL databases

It's your turn!

Please send your informative application with details of your income expectations and availability to our HR department.
