

Luxembourg Jobs Expertini®

DevOps Engineer in Luxembourg

[Apply Now](#)

Company: Eyetech Solutions

Location: Luxembourg

Category: computer-and-mathematical

Description

Your mission is packed with thrilling tasks:

Serve as a consultant specializing in orchestration, with a keen focus on open-source solutions and top-notch security.

Contribute to internal projects geared towards industrialization and bolstering control mechanisms.

Provide expert consultation on scripting tools and actively engage in process automation for our esteemed clients.

Profiles

We're seeking individuals with:

Minimum 4 years of experience in systems and IT operations.

Skills in Linux/Windows platforms, Powershell, and Bash scripting.

Fluency in both French and English.

Offer

We value your expertise and offer:

Competitive salary: Approximately €85,000 per year.

Training and mentorship opportunities to elevate your DevOps skills.

A clear path for career growth and development within our dynamic company.

Flexible work arrangements, including remote options.

Access to top-notch technology and equipment provided by the company.

Interested in learning more? Don't miss out on this egg-citing opportunity! Send us your updated CV today and let's explore how you can hop into our team this Easter season.

CONFIDENTIALITY GUARANTEED Rest assured, your application will be handled with the utmost confidentiality. Feel free to share this opportunity with friends and family who match the profile.
