

Luxembourg Jobs Expertini®

Engineer, Advanced Product Development (f/m/x)

[Apply Now](#)

Company: Webasto

Location: Grevenmacher

Category: other-general

Feel the Drive For us, that means experiencing mobility with all the senses. We work for more comfort, wind in your hair, the perfect temperature in every season, and driving with a clear conscience - for a safe and sustainable future.

We fill mobility with joy - are you with us?

As a family-owned global group of companies, we are the world market leader in roof and convertible systems and parking heaters. We are also an established partner for charging solutions and battery systems. Do you like to take responsibility with a longterm-view? For the expansion of our production site for automotive glass (roofs, windshields and rear windows) in Grevenmacher (Luxembourg), we are looking for committed colleagues (f/m/d) who will help shape our success story with their expertise and passion.

You can look forward to these exciting tasks:

Lead Advanced Product Development projects from concept to SOP, using a corporate development process, to be realized through internal and/or external partners

Follow product roadmaps from our Product Managers and direction from the Product Owner as basis for self-sufficient planning of development activities to reach development milestones in time and within budget

Coordinate, build and analyze prototypes, samples and concepts in close cooperation with our labs and production lines

Provide design, prototype & validation support for improving existing product

Serve as a backup or relay companion to other APD engineers from different regions

Here's what you can bring to the team:

Master's or Bachelor's Degree in engineering, physics, optics or related field or equivalent experience required

2+ years' experience in relevant role with career progression

Automotive experience would be a plus as well as the knowledge in materials such as glass, coatings and plastics

Business fluent English is mandatory, German language skills are a plus

Product design experience including GD&T and DFMEA

Webasto is an Equal Opportunity Employer. We do not discriminate against race, color, religion, gender, sexual orientation, gender identity, national origin, age, disability, marital status, veteran or military status, or any other legally protected status.
