Field Service Engineer

Apply Now

Company: Jungheinrich

Location: Luxembourg

Category: other-general

Cheshire (WA/WN/L)

Jungheinrich is one of the world's most successful intralogistics companies. As a top employer, we offer outstanding opportunities in a wide range of professional fields.

Within **Jungheinrich UK** we strive for excellence, challenging current practice and driving to continue to be the best in class. We invest in our talent and have a culture of openness, integrity, and respect. As a holder of an Investor in People award since 2006, we commit to ensuring you are given the right training when you need it to do your job to the best standard. By joining Jungheinrich you will join a team of people passionate to succeed.

We are currently looking for a **Field Service Engineer** to join our customer service engineering team to cover the **Cheshire (WA/WN/L)** area.

What We Offer

25 days annual leave plus bank holidays

Discount website which will give you access to 100's of brands with opportunities for savings and cashback

Company Pension Scheme: Employer matched contributions of between 5% and 10%

Private Medical Insurance: Free to all employees as a taxable benefit, with additional option of adding on partners/children at a small cost

Door-to-door payment

Overtime opportunities

Extensive toolkit and uniform

Industry leading training

Company laptop and phone

Role Responsibilities

The successful candidate will visit various client sites in the area in order to carry out servicing, repairs, and preventative maintenance on a wide range of **Jungheinrich** material handling equipment and forklift trucks. You will be responsible for the management and control of the parts stock and completing service reports and timesheets.

Person Specification

This position will be suitable for mechanically and electrical biased engineers from any type of maintenance / service background specifically general automotive technicians, HGV, mobile plant, forklift, or ex forces military vehicle engineers. Given the nature of the role, the ideal candidate will hold a full driving license and have previous experience in a customer-facing environment. Additionally, having previously worked unsupervised would be a benefit.
