## Process Engineer (f/m/x)

[Apply Now](#)

Company: Webasto

Location: Grevenmacher

Category: architecture-and-engineering

**Feel the Drive** For us, that means experiencing mobility with all the senses. We work for more comfort, wind in your hair, the perfect temperature in every season, and driving with a clear conscience - for a safe and sustainable future.

We fill mobility with joy - are you with us?

As a family-owned global group of companies, we are the world market leader in roof and convertible systems and parking heaters. We are also an established partner for charging solutions and battery systems. Do you like to take on responsibility with vision? Then use your expertise and passion to help shape our success story.

At Grevenmacher we make more than automotive glass. We make people's lives safer and more comfortable along their journeys. Every day, we unite as a team to deliver quality products and innovative solutions that earn our customer's trust and build lasting relationships.

### **You can look forward to these exciting tasks:**

Propose and implement continuous improvement actions in close relation to production, maintenance, engineering, development, and quality departments

Being in charge of a part of the production process

Participate in the development of the LEAN manufacturing program

Develop and implement new processes for future products

Report directly to Line Managers

**Here's what you can bring to the team:**

Successfully completed Master's degree in mechanical engineering (or equivalent)

Practice of LEAN manufacturing is appreciated

Ability to work independently

Flexible and rigorous work approach

Strong communication skills

Experience in the automotive industry

2-5 years of experience in an industrial environment is a plus

Fluency in English and French, German is an advantage

Affinity with numbers and figures

Good understanding of accounting and financial reporting principles and practices

Webasto is an Equal Opportunity Employer. We do not discriminate against race, color, religion, gender, sexual orientation, gender identity, national origin, age, disability, marital status, veteran or military status, or any other legally protected status.
